THE FOLLOWING GUIDELINES APPLY TO ALL LEAP COURSES.

REFUNDS

A full refund will be issued if requested, within five business days prior to the first day of class. A prorated refund will be issued in the event of a withdrawal due to medical reasons. The prorated amount will be refunded to the portion of the course not yet completed after the request to withdrawal has been received. In the event of a prorated refund, tuition will be divided by the total number of course hours, times the number of course hours not yet completed.

All courses are conditional on environment. If a course is cancelled, a 100% refund will be issued, or you may choose to register in another course that is being offered, provided the class is not full. All students will be contacted if a course is cancelled.

CANCELLATIONS

If a class is cancelled due to inclement weather, or another unfortunate circumstance, every attempt will be made to notify participants in advance. Participants will be notified of the rescheduled class time during their next session, or by phone or email.

PARKING

Parking for courses offered at the college follows city of Fredericton parking by-laws. There is no charge for public parking in the downtown area after 5 p.m. on weekdays.
