

Now Hiring: Pottery Studio & Retail Assistant (Student Summer Opportunity)

Location: North Bedeque, Prince Edward Island

Duration: 16–20 weeks (summer/fall)

Pay: \$20/hour | 30–40 hours/week

Are you a ceramics student looking for a summer experience that goes beyond the classroom?

Redrocks Pottery Inc. and the PEI Fox Den are offering a unique opportunity to spend your summer living and working on Prince Edward Island—gaining hands-on experience in both a **working pottery studio** and a vibrant **artisan retail space**.

What You'll Experience

This is more than a job, it's an immersive creative and lifestyle experience. You'll have the opportunity to:

- Work directly in a **production ceramics studio** (clay prep, glazing, kiln loading/unloading)
- Learn how a successful pottery business operates day-to-day
- Engage with customers and visitors from across Canada and beyond
- Be part of a curated shop featuring **60+ local artists and makers**
- Assist with **workshops, community events, and live music** in a restored historic schoolhouse
- Build connections within PEI's close-knit and supportive arts community

Why Spend Your Summer Here?

Located in the heart of Prince Edward Island, North Bedeque offers a slower pace of life with access to beaches, red sand shorelines, and a strong creative culture.

This position is ideal for students who are:

- Open to relocating for the summer
- Looking for hands-on, meaningful experience in ceramics
- Interested in both **art and entrepreneurship**
- Excited by the idea of living in a rural, community-focused setting

Accommodation support may be available for the right candidate, and we're happy to help point you toward local housing options. *A vehicle is considered a strong asset due to our rural location.*

Who Should Apply?

- Ceramics or fine craft students enrolled and attending school again in September, 2026.
- Students in tourism, arts, or small business programs with an interest in craft
- Anyone eager to learn, contribute, and be part of something creative and community-driven
