- Click “Next”.

Step 5: Confirm and Review Payment Details

- Double-check the amount, your name, ID/reference number, and payment method.
- Accept Flywire's terms and conditions.

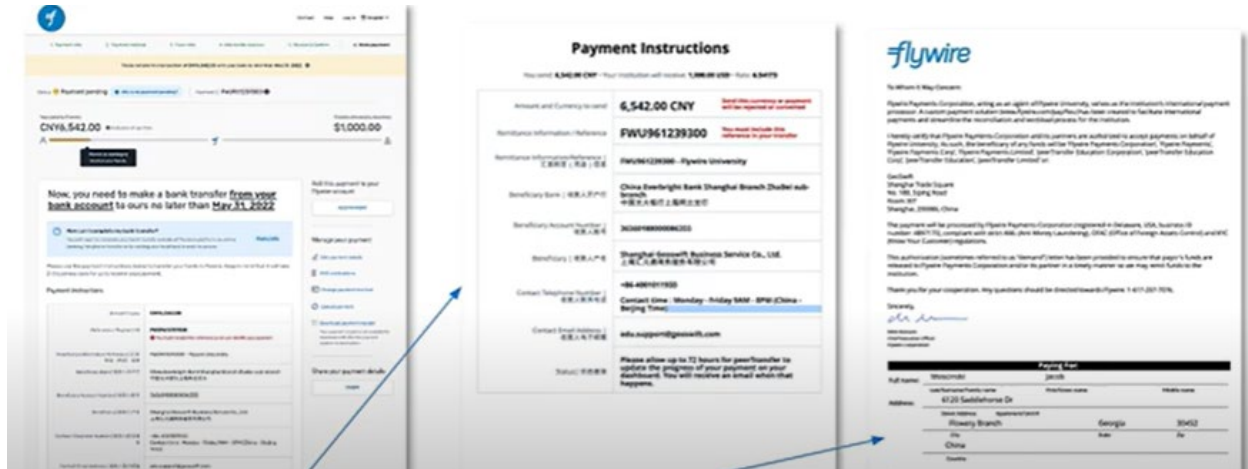

- Click **“Submit Payment”**. Once you click submit, payment has been initiated.

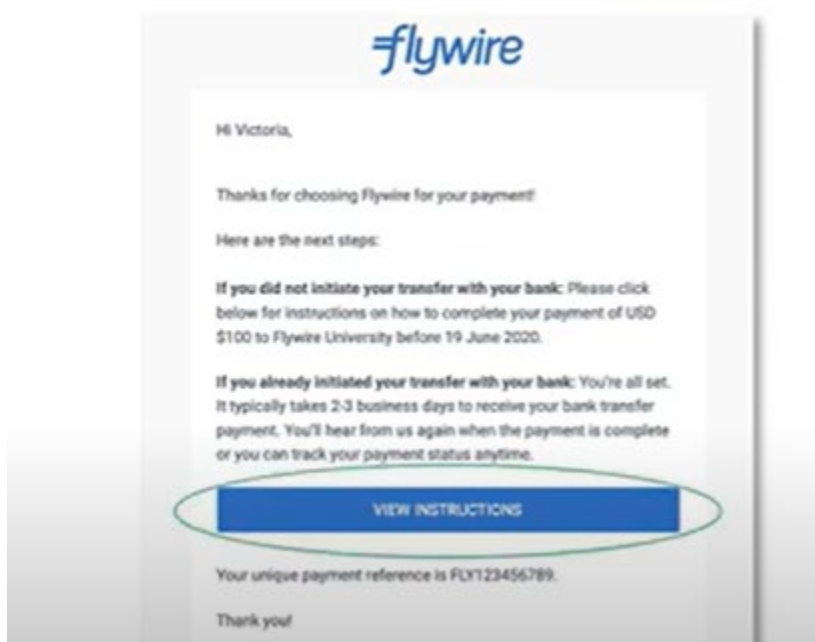

Step 6: Follow Payment Instructions

- Flywire will now generate specific instructions based on your selected payment method:
 - For **bank transfers**, you'll receive a PDF or on-screen info with Flywire's bank account details. Visit your bank (online or in person) and transfer the funds **exactly as instructed**.

- For **card payments or online wallets**, you'll be redirected to complete the transaction immediately.

- For Interac e-transfer, Flywire will initiate an Interac e-transfer request for funds, sent to the email address provided that is associated with your online banking/e-transfer account. When you click the link in the email, it will direct you to log into your online banking app to complete the e-transfer process.

Step 7: Track Your Payment

- After submitting your payment, Flywire sends you a **confirmation email** and tracking link.
- You can **track the payment progress online** in real time using that link or by logging into your Flywire account.
- You'll receive email updates at every stage (e.g., payment received, in transit, delivered to institution).

Step 8: Confirmation of Delivery

- Once the institution or payee receives the funds, Flywire notifies you via email.
- You may also receive a payment receipt or confirmation directly from the institution.
